

TECH RIDER - 5 MEMBERED + 1 VOCALIST

Please find our technical requirements below. If you have any questions, please contact us.

INSTRUMENTS

double bass, 2 guitars, 1 violin, electric piano, clarinet, singer

- Double bass - DPA/XLR
- 2 guitars: XLR/JACK
- 1 violin: DPA
- Electric piano: XLR/JACK
- Clarinet: XLR
- Vocal: wireless handheld voc microphone with stand
- Min. 16-channel mixer
- 6 monitor speakers
- 2 armless chairs

OTHER

Depending on the venue's specifications and the size of the audience, speakers, a mixing console, and cables are required for a 6-membered band.

STAGE

Space required for a 6-membered band = 6 x 3 x 1 m (W x L x H)

A stable, level stage with a non-slip surface.

Power supply: 230V - 50 Hz - 16 A

LIGHTING

We do not have a permanent stage technician, so we rely heavily on the staff working at the venue.

We have no special lighting requirements.
